Exciting Changes

Classroom Moves!

Many of you may have noticed that furniture has been moved around... That is because we have some classes swapping rooms. Walker C and 2A will be swapping with each other. STEM and Pre-K will be moving. STEM will share a classroom with the Afterschool students.

New Class Opening Up!

We are opening up a second 3-year-old class. The new 3 year old class will be in Ms. Emani's classroom, who will be moving to Ms. Devin's former classroom.

Meet The Teachers!

With all the new changes allows us to introduce some new teachers.

- Ms. Jessica Holt will be our new 2A teacher
- Jaquiorra Terrell will be our new Walker C teacher.

If you see them in the hallways, be sure to give them a Fox Den Wave!

Reminders

Please be sure to check out the office bulletin board and the front desk for any important updates at the Fox Den. If you have any questions, please feel free to reach out to anyone on the Leadership team.

Frannie Travels the World!

Frannie continues on her adventures with the help of Mr. Silva. Frannie is currently in Egypt where she is sightseeing a lot of great things such as the Pyramids. Did you know that that the Egyptian Pyramids were built between roughly 2700 B.C. and 1500 B.C. That means they are just about 4,000 years old.

A Special Message from Josh Hill

“Whether it’s making sure that families have access to quality health care and childcare or making sure that our children receive the best educational opportunities we can give them, we must remain committed to these needs because our children are our future.” - Blanche Lincoln

As we celebrate three months of serving our scholars, it is important to note where we are, where we came from, and where we are headed. In the past 90 days we have added processes and policies to ensure that your child is cared for and loved and provided a solid educational foundation. Along the way, we continue to learn. Some ideas have worked, while other ideas have been amended to achieve greater success.

I think back to Day 1 (and thinking we were ready). We have come so far! I make a habit to reflect every 30 days... Where are we now that we weren’t the previous month? Where do we want to be this next month that we aren’t today. My motto for The Fox Den is, “Better tomorrow than yesterday.” Learn from EVERYTHING. Failures help us to shape tomorrow. Successes help us to replicate and improve.

Upon your return in January, you’ll see some new faces...some switched up classrooms...and lots of incredible teaching! As always, please connect with the Leadership team with any questions/comments/concerns. We WANT to hear from you. We appreciate our Fox Den Parents!

Josh and Keri Hill, The Fox Den Ownership Team
